BUYERS GUIDE

22 OCTOBER 2024
Crown Perth

Welcome

Introduction to Meet the Buyer

The Department of Primary Industries and Regional Development as the State lead for food and beverage industry development, actively engages with the sector developing and delivering support programs, schemes of assistance and capability building to enhance, grow and provide meaningful opportunities for the industry and businesses to compete on the domestic and international stage.

'Meet the Buyer' presented by the State Government's Buy West Eat Best program is a key facilitating event, enabling introductions, creating connections, networking and frequently, commercial outcomes for the 2,000+ businesses and brands that have taken part to date.

While presented by the Buy West Eat Best program, invitations to 'Meet the Buyer' are extended to all WA food and beverage businesses via a network of industry associations, regional chambers and commissions, producers, wineries, brewers, farmers, retailers, artisan crafters, distributors, chefs, educators and caterers that service domestic and international markets.

'Meet the Buyer' showcases the strength, resilience, innovation and diversity of the State's food and beverage sector, enabling businesses to realise, establish and grow new markets, benefiting the broader WA economy and regional communities. Of note, WA's food and beverage manufacturing industry is valued at \$8.5 billion, with more than 1,500 businesses employing around 20,000 people across the State.

Food represents around 12 percent by value of WA's manufacturing industry, with the food service sector employing more than 85,000 people, across approximately 8,000 businesses with an annual turnover of \$8 billion.

Combined, the food and beverage manufacturing and food service sectors in WA employs over 100,000 people with an annual turnover of \$16.5 billion.

In just four short years, 'Meet the Buyer' has provided a powerful platform for 2,000+ brands and product lines to be showcased, and welcomed 660+ exhibitor representatives alone from across the State's food and beverage industry.

*Meet the
Buyer*

There is no denying the past few years have been challenging and equally opportunistic; the operating environment has forever changed as a consequence of the Pandemic, cost of living and doing business pressures as well as difficult trading conditions.

One only needs to consider current world events to reflect on the increased appetite to support local consumption through retail channels, food service and hospitality, driven by consumer demand. As inflation and household budgets adapt to cost of living pressures, supporting local producers, brands, and businesses to ensure the sustainability of our local, rural, and regional communities remains resolute.

The tenacity of our food and beverage sector; those that invest, support and innovate through digital initiatives; those that are turning the dial generationally to research, develop

and progressive advancement, and those embracing sustainability, driving recognition and knowledge towards WA's rich food culture and heritage; should not be underestimated.

In 2024, over 80 exhibitor businesses have taken out time and the unique opportunity to present at the largest and most diverse showcase of WA food and beverage business under one roof for one extraordinary day, utilising the platform of 'Meet the Buyer'.

We acknowledge the custodians of this land, the Whadjuk people of the Noongar nation and their Elders past and present. We celebrate and respect their continuing culture and contribution made to Perth city and greater regions.

**Thank you for supporting
'Meet the Buyer'!**

Meet the Buyer

Presented by Buy West Eat Best

Welcome to WA's premier event, doing business with the State's food and beverage industry.

'Meet the Buyer' is the State's leading dedicated agrifood industry trade show and networking summit, presented by Australia's longest running food and beverage labelling program, Buy West Eat Best.

The fourth year marks our largest to date. The trade floor sold out in record time, delegate registration opened early and steadily increasing over the past three months. Members of the Buy West Eat Best program and extended community assisted with building early awareness, enthusiasm and interest across their respective networks.

As a direct result, we are thrilled today to be showcasing 550+ products, ingredients, businesses and brands; all delivered with overwhelming support from trade, business and industry. We are very grateful for your support.

While 'Meet the Buyer' has built a strong reputation, it remains crucial to have both buyers and businesses invested, a shared responsibility as we continue to build the foundations of this premier event. The waitlisted, must do, must see annual tradeshow exhibition and launch point for our intrastate, interstate and international guests to Perth and onwards into our regional destinations, must continue.

'Meet the Buyer' is all about building relationships, bringing together key buyers and sellers in one room for one astonishing day.

The tradeshow facilitates the opportunity to network and identify fresh business prospects, providing an important platform for businesses to engage, connect, grow and look to new

market channels across the supply chain domestically, and as the exhibition's reputation advances, internationally.

Western Australia is well positioned; geographically, culturally, environmentally, competitively and strategically. The economic trajectory of the State's food and beverage sector is extremely positive, driven by consumer demand and sentiment, and supported with investment, technology and market access.

WA's enviable diversity of counter seasonal offers from north to south, bursting with flavour, finesse and freshness makes for products of distinction, toiled with passion, and crafted with innovation.

For food and beverage buyers to view, taste and engage with businesses face-to-face; from the familiar, classic, novel and premium brands you know and love, to the innovators and those capturing emerging trends, there truly is something for everyone at 'Meet the Buyer'.

We hope you enjoy Meet the Buyer 2024!

The most expensive black truffle in the world is in every one of our products, available all year round. Our truffle is grown on the Stonebarn Estate and is sold fresh between June and September.

Stonebarn Black Truffle Chilli Sauce

RRP AUD: \$15.00 / 150ml

A versatile hot sauce with a beautiful truffle taste that can be enjoyed in so many ways. It can be served separately to food and added to taste, for example, it is a perfect condiment for burgers and sausages. It is also a great go-to pantry sauce - just one tablespoon added to a sauce or broth creates an explosion of chilli and truffle filled flavours. Add to a pizza sauce to create a spicy topping, use as a marinade for grilled chicken to create your own Nando's style hot truffle chicken, and stir into a stew broth to warm you up over the winter. It is a great substitute for when you don't have any fresh truffle or chillies in your fridge. Simply add to a tomato based meat sauce to create your own chilli or nacho.

Stonebarn Black Truffle Tapenade

RRP AUD: \$18.00 / 140g

Our Stonebarn Black Truffle Tapenade is true to the tapenade popularised in southern France. It contains real black Perigord Truffle (tuber melanosporum) and is combined with black olives, extra virgin olive oil and capers. This exquisite combination gives our tapenade a rich, clean olive taste, a beautiful colour and texture, with a subtle truffle aroma.

Our tapenade can be enjoyed simply by spreading it on bread or as a dip with crackers as an appetizer. Adding a small amount to any pasta or rice dish will really enhance its flavour. Dilute a little in our Stonebarn Truffle Oil and it can be drizzled over soups, sauces, pizza, bruschetta and meat.

Sin Gin Distillery is a boutique award-winning gin distillery. All our gins and liqueurs are produced and bottled at our distillery located in Swan Valley, WA, using ingredients which are sourced locally where possible. Spirits for making the gins and gin-based liqueurs are derived from grapes grown in the Swan Valley whilst Australian botanicals are sourced in partnership with local indigenous communities.

Perth Pink

RRP AUD: \$85.00

Sin Gin Perth Pink has been finely crafted to create a sweet tasting and colourful gin without using fruit or sweeteners. We combined Strawberry Gum, Lemon Myrtle and Rosella flowers to make a Pink Gin that can be enjoyed with your favourite mixer. Add soda, tonic or lemonade to create a refreshing drink. Garnish with a fresh strawberry.

Lemon Gincello

RRP AUD: \$65.00

Our Lemon Gincello is made from Sin Gin Sloth and local lemons. You can taste the lemon myrtle from the gin and the fresh lemon taste from the lemon rind. It's totally delicious. The colder the lemon gincello the better the taste so keep it in the fridge or pour over ice. The traditional way to drink lemon gincello is straight in a small tulip glass. Alternatively, try it as a spritz with prosecco.

Coffee Gincello

RRP AUD: \$65.00

Sin Gin Coffee Gincello is a liqueur with a rich coffee flavour, slightly sweet with a hint of lemon myrtle and juniper from Sin Gin Sloth. This is a collaboration with a fellow stallholder at Swan Settlers Market (where our distillery is located) - Simon of The Black Moustache Coffee Co. 4-Bean Vietnamese Coffee Mix is blended with Sloth and some sugar to create this Coffee Gincello. Drink it neat, on the rocks or in an Espresso Martini. It can also be added to desserts.

Sloe Gin

RRP AUD: \$75.00

Sin Gin Sloe Gin is made with wild Australian sloe berries that have been hand-picked. The process for producing this liqueur is based on our CEO Kate's method of making sloe gin when she lived in England - freezing the berries to crack the skins to release their goodness and steeping for about 3 months. Gold medal winning Sin Gin Greed has been used to produce this liqueur which was awarded Champion Liqueur in WA in 2023.

@PiessefulBees

@piesseful.bees.honey

We are a small family business, based in the Moore River region of Perth. All our 100% raw honey comes from our own 200+ beehives across many locations here in WA. Our most prestigious honey, Jarrah, comes from one of our many South West WA sites, located in the pristine Jarrah Forrests. Our latest release is our selection of fermented and infused flavoured honeys, which has been very popular. We believe in ethical and sustainable beekeeping, bringing only the best honey from our hives, to your home!

Bush Honey - 500g

RRP AUD: \$11.00

Our 'standard' honey in our best-selling squeeze container. Best for everyday use, if you're not particular to a certain flavour profile. Our bush honey is a multiflora honey in which the flavour will change as the flowers change throughout the season. Usually harvested from our northern suburbs bee sites.

Category: Groceries / Fresh Produce / Ingredient
Storage: Room Temperature

Jarrah TA35+ Honey - 1kg

RRP AUD: \$58.00

Our most prestigious honey is known for its exclusivity to us here in WA. Scientifically proven to be more medicinal than Manuka honey, Jarrah honey is an absolute powerhouse. With its thick texture and its earthy, caramel aftertaste, this honey is our best seller. Sadly, the Jarrah tree only flowers every 2 years and with the prescribed burns happening in the South West, the yield of the Jarrah Honey is becoming less. We are lucky enough to have a healthy supply.

Mixed Variety Multi Pack - 4 x 300g

RRP AUD: \$40.00

Our 4 main varieties - Bush Honey, Red Gum Honey, White Gum Honey and Jarrah Honey - in our 300g containers, housed in our branded bags. These make a great gift for any honey lover or the perfect selection as a taste tester of our honeys.

Creamed Honey - 500g

RRP AUD: \$15.00

Creamed honey is simply crystallised (hardened) honey that has been churned for a period of time (usually about 3 days on average) and then set in the fridge. There are no additives. With its thick, luscious texture, it's a fan favourite to be eaten straight from the tub. Ideal on toast, crumpets, scones, and even an ice cream topping! Unlike 'runny' honey, creamed honey will melt if it gets too warm so always store it somewhere cool, or in the fridge.

Fermented Garlic Honey - 500g

RRP AUD: \$20.00

Bringing fresh garlic and raw honey together to create a scrumptious garlic honey. Not only will they add a whole new depth of flavour, fermented honeys have a range of health benefits including, pre and probiotics, antioxidants, anti-inflammatories, and cold and flu-fighting properties. Perfect for cooking or eating straight from the jar as a natural remedy.

Fermented Chilli Honey - 500g

RRP AUD: \$20.00

Add some spice with our fermented chilli honey, also known as 'hot honey'. Not only will they add a whole new depth of flavour, fermented honeys have a range of health benefits including, pre and probiotics, antioxidants, anti-inflammatories, and cold and flu-fighting properties. Add to your cooking or enjoy straight from the jar for a sweet and spicy natural remedy.

Rosemary Infused Honey - 500g

RRP AUD: \$20.00

Watch as the sweetness from the honey turns into the delicate taste of rosemary. Not only will they add a whole new depth of flavour, but our infused honeys have a range of health benefits including, pre and probiotics, antioxidants, anti-inflammatories, and cold & flu-fighting properties. Perfect to add to cooking or eat straight for a natural remedy.

@krunchilli

Located in the South West of WA, Krunchilli is a family business that takes pride in creating a versatile product that brings families together around the dinner table. Krunchilli is a staple condiment found on retailers' shelves across Australia. Currently three varieties namely MEDIUM, HOT & our Extra HOT "Carolina Krunch". So, what exactly is Krunchilli? Its flavour explosion includes toasted oats, fiery chilli and fragrant garlic that adds a delightful crunch and a kick of heat to any dish.

Krunchilli MEDIUM 350g

RPR AUD: \$12.50

Krunchilli Medium is all about texture and flavour with a gentle spicy kick! Versatility is the name of the game with Krunchilli. It is sold in a variety of good artisan outlets around WA and has been added to other popular products including hommus, pizza, sausages, pies, chicken rollups, sushi & mayonnaise. Our customers have also been known to stir Krunchilli through salads and rice dishes and surprisingly even ice cream! MEDIUM Krunchilli is our original flagship award winning condiment!

Krunchilli HOT 350g

RPR AUD: \$12.50

Introducing more heat to our flagship "MEDIUM" this condiment not only adds a kick but interestingly alters the flavour profile. Krunchilli "HOT", also an award winning delicacy (GOLD MEDAL, Araluen Chilli Festival & BRONZE MEDAL, Perth Royal Food Awards) is a must for those looking for the unique texture and flavour with an extra heat kick. Krunchilli "HOT" is a favourite amongst our social media followers who have posted many delicious recipes on our Instagram & Facebook for others to enjoy.

Krunchilli Extra Hot "Carolina Krunch" 350g

RPR AUD: \$15.00

Our new Extra Hot "CAROLINA KRUNCH" is a game changer! Not for the faint-hearted, this Krunchilli packs a punch and is designed for the chilli heads of the world. It will be hard to find a hotter chilli condiment on the market than this bad boy. We will take you on an interesting journey. First, you will get the crunch, secondly the delicious flavour and thirdly the heat will start and slowly increase giving you a longer intense burn. Thumbs up from serious chilli fans is our winning recognition.

Great Southern Distilling Company, founded by Cameron Syme in 2003, is a family-owned craft distillery based in Albany, Western Australia. We operate distilleries in Albany, Porongurup, and Margaret River, with cellar door venues in Albany, Margaret River, and the Swan Valley. Our goal is to create exceptional hand-crafted spirits for consumers to enjoy, offering premium products under the following brands: Limeburners Single Malt Whisky, Giniversity Gin, Tiger Snake Whiskey, and Dugite Whiskey.

Limeburners Single Malt Sherry Cask Strength Whisky - 700ml

RRP AUD: \$259.00

Distilled with care in our traditional small-batch copper pot stills, Sherry Cask Strength is a serious whisky connoisseur's delight and made to savour. This classic Limeburners expression has spent time in ex-bourbon American oak before maturing further in an Australian Sherry cask, allowing it to develop notes of buttery caramel, dried apricot and almond croissant.

Category: Beverage

Type: Single Malt Whisky

Product Region: Great Southern

Storage: Out of the sunlight, in a cool and dry place.

Limeburners Single Malt Port Cask Strength Whisky - 700ml

RRP AUD: \$259.00

One of our most acclaimed and internationally recognised expressions, our Port Cask Strength. This dark ruby-red single malt is first aged in ex-bourbon American oak before being further matured in an Australian Port cask, resulting in a complex, rich, and decadent whisky. This elegant Whisky boasts notes of fruit cake filled with caramelised port wine raisins, chopped apricot, sticky caramel, and dark chocolate truffle.

Category: Beverage

Type: Single Malt Whisky

Product Region: Great Southern

Storage: Out of the sunlight, in a cool and dry place.

Limeburners Single Malt Peated Whisky - 700ml

RRP AUD: \$284.00

Gently infused with peat sourced from the Valley of the Giants, this expression is a true representation of a uniquely Australian peat-smoked single malt. You will never taste another peated whisky like this anywhere in the world. The result is a rich single malt with flavours of charred marshmallow, subtle spices, and toasted cereal.

Type: Single Malt Whisky

Product Region: Great Southern

Storage: Out of the sunlight, in a cool and dry place.

Limeburners Single Malt Darkest Winter Cask Strength Whisky - 700ml

RRP AUD: \$500.00

When Cameron Syme envisioned Darkest Winter, he aimed to create a whisky that showcased Western Australian peat. Using the gentle peat from the depths of the Valley of the Giants in Walpole, premium Great Southern barley is smoked for an extended period to intensify the unique characteristics of this rare peat source. Darkest Winter exudes aromas of toasted maple and straw, with silky sweetness, crushed almond, and warming smokiness on the palate.

www.888abalone.com.au

888 Abalone is a family owned business, the Kestel family having proudly owned and operated the farm since 2010. Our abalone farm is based in Bremer Bay, which is located at the edge of an underwater canyon that carries pristine waters from the Antarctic. This cold, salt-rich, nutrient-filled water creates the perfect conditions for abalone farming. This has allowed us to produce some of the finest quality Greenlip Abalone in Australia.

Greenlip Abalone (Whole in Shell)

Greenlip Abalone has a sweeter more subtle flavour than the other varieties, together with their pearl white meat, making them a highly sought after delicacy. We snap freeze from live, creating a sashimi quality product. Our frozen whole in shell Abalone is available in various size grades; prices do vary.

Minimum order quantities apply for farm gate bulk prices.

We are currently evaluating our distributor options at which time prices for smaller quantities will become available.

30 Knots Spirits are handcrafted in small batches and windy conditions in Geraldton, Western Australia, by husband and wife duo Murray and Kelly Killen. Crafting internationally award-winning spirits inspired by the region's unique character, we blend passion, local ingredients, and a dash of cheekiness to create memorable flavours that capture the spirit of the Mid-West. Join us on a journey of taste, where every sip tells a story.

Spiced 700ml

RRP AUD: \$75.00

Spiced is distilled from a molasses base and aged for three months in ex-Shiraz French oak barrels, infusing it with a rich colour and depth of flavour. It's then blended with handpicked spices to deliver a smooth finish, with notes of orange, cinnamon, cacao, and vanilla.

The food, trade and investment services teams of the Department of Primary Industries and Regional Development (DPIRD) supports Western Australia's premium and value-add food and beverage producers to overcome barriers to growth, reduce risks around export development and investment opportunities, as well as capture new opportunities for expansion through the provision of a range of tools and services. All three teams deliver schemes of assistance and services that address business priorities, gaps, constraints while sharing identified opportunities.

Services include capability building workshops, voucher and grant programs to access professional services and expansion pathways, industry partnerships and targeted business support resources such as digital manufacturing, scale-up manufacturing technologies, sustainable packaging, food waste transformation, environmental, social and governance (ESG) education, local origin marketing, market access advocacy and facilitation and market diversification and engagement.

Today's prospects for businesses are influenced by international competitiveness and inflationary pressures, growth or expansion constraints, climate change, social trends and market access requirements can be difficult to navigate. Come speak to the DPIRD team to find out how we can support your business to be ready for success.
